Corporate Gifting Market Size

Why Now Is The Right Time

Online Surge	Businesses now prefer ordering merchandise online — zero office visits needed.
Corporate Demand	IT companies, startups and SMBs need branded merchandise year-round.
College Market	Every farewell, sports day and cultural fest requires custom t-shirts.
Unorganised Market	97% of custom printing is unorganised — no strong online brand exists yet.
AI Design Tools	Self-serve design tools eliminate the need for a graphic designer.
Fast Delivery Culture	Post-Zomato era — customers expect 48-hour delivery everywhere.

Corporate B2B Sales Process

- 1 Identify** LinkedIn: search HR/Admin heads at Pune companies
- 2 Connect** Send personalised message with your portfolio link
- 3 Sample** Offer one FREE sample t-shirt printed with their logo
- 4 Demo** They show the team — team gets excited and asks for more
- 5 First Order** Typically 50–200 pieces placed within the week
- 6 Retain** Sports day · Annual day · New joiner kit · Repeat every year

Key Insight: One corporate client = Rs.50,000–Rs.5,00,000 per year in recurring orders. They need t-shirts for sports day, annual day, new joiner kits, product launches and festivals — **every single year**. Acquire them once, retain forever.
